

A brighter way to pay.

PAYROLL SERVICES THAT HAVE GROWN WITH THE TIMES

We have been refining our payroll processing services since the 1970s. The result is a rock-solid system and a complete range of services that help you work less, and make more.

REDUCE WASTED HOURS CHECKING FOR ACCURACY AND PROCESSING PAYROLL INFORMATION

From large corporations to small businesses, TempWorks Payroll Processing services deliver efficient and reasonably priced employer solutions right where you need them – for non-revenue generating tasks that take up time, money and resources.

SOFTWARE SOLUTIONS

Unlike most other payroll services, PayWorks makes it easy for you to control costs and processes. And we keep you in control with integrated software for staffing, CRM and recruitment.

PAYWORKS SERVICE BUNDLE

The PayWorks service bundle includes

software solutions for payroll processing, payroll tax filing and deposits, time and attendance and more. It also includes human resources solutions and real time reporting for optimal HR management.

A SYSTEM BUILT FOR ANY PAYROLL CHALLENGE

We've spent years spent working with hundreds of staffing agencies large and small. So our software is easily configurable to meet the most specific needs for pay-code, shift-premium, overtime calculation, fringe benefit, garnishment, multi jurisdictional/ multi work state, automatic time retrieval, offsite/onsite printing and error correction exceptions for the entire U.S. and its territories.

SERVICES FOR A TOTAL SOLUTION

Additional services include Paycards, which eliminates paper nightmares and delivery costs. And, with Benefits Administration, TempWorks will set up your company with benefits that reflect retirement savings and vacation time for each pay period.

TempWorks is also a full-service funding provider for staffing companies. Complete software and service solutions for recruitment and payroll include payroll funding and processing, credit and collection services, electronic invoicing, A/R and hosted staffing software. When you are a payroll services customer, you get to use our Enterprise software at no additional charge!

TempWorks will beat the price of any comparable service. We'll gladly help you compare our service and prices with those of ADP, Kronos and Paychex.
